

RUSTPROOFTM CLEARTM

PREMIUM PROTECTION

Finish

A fast drying, U.V stable, crystal clear coating.

Interior Metal Surfaces

No odour once cured, perfect for inside doors and floors (unlike fish oil products).

Bullbars & Accessories

Superior protection for all metals including welds and hardware.

Plastics

Rejuvenates faded guards, sidesteps, handles and other fittings.

Underbody

Hard, quick cure coating that repels sand (unlike tacky, tar-like products).
